Date for concluding the work of the Committee, order and approximate dates of consideration of items

4. Rule 99 (b) of the rules of procedure of the General Assembly provides that:

> "Each Main Committee, taking into account the closing date for the session fixed by the General Assembly on the recommendation of the General Committee, shall adopt its own priorities and meet as may be necessary to complete the consideration of the items referred to it. It shall at the beginning of the session adopt a programme of work indicating, if possible, a target date for the conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated to each item."

5. Bearing in mind the number of meetings available to the Sixth Committee (see para. 12 below), it is proposed that the Committee set a target date of 5 November 2003 for the conclusion of its work.

6. The Sixth Committee may wish to consider, for the purpose of adopting its programme of work, the following timetable, which indicates approximate dates of consideration for the agenda items referred to it and has been drawn up on the basis of the relevant General Assembly resolutions and previous programmes of work adopted by the Committee:

	Approximate dates of consideration

Establishment of working groups and holding of consultations

7. Concerning agenda item 156, entitled "Measures to eliminate international terrorism", the General Assembly, in its resolution 57/27 of 19 November 2002, decided that the work (of the Ad Hoc Committee established by General Assembly resolution 51/210 of 17 December 1996) should continue, if necessary, during the fifty-eighth session of the General Assembly, within the framework of a working group of the Sixth Committee. In the light of the recommendation of the Ad Hoc Committee contained in paragraph 16 of its report,[2] and following further consultations with the Bureau of the Ad Hoc Committee, the week of 6 to 10 October has been reserved for this purpose.

8. Concerning agenda item 157, entitled "Scope of legal protection under the Convention on the Safety of United Nations and Associated Personnel", the General Assembly, in its resolution 57/28 of 19 November 2002, requested the Secretary-General to report to the General Assembly at its fifty-eighth session on the measures taken to implement the resolution and decided to include in the provisional agenda of its fifty-eighth session the item entitled "Scope of legal protection under the Convention on the Safety of United Nations and Associated Personnel". Should the Sixth Committee decide to hold consultations or to establish a working group, time has been reserved for that purpose between 13 and 17 October.

[2] *Official Records of the General Assembly, Fifty-eighth Session, Supplement No. 37* (A/58/37).

9. Concerning agenda item 158, entitled "International Convention against the reproductive cloning of human beings", the General Assembly, by its decision 57/512, decided that a working group of the Sixth Committee would be convened during the fifty-eighth session of the General Assembly from 29 September to 3 October 2003 in order to continue the work undertaken during the fifty-seventh session.

10. In view of the limited conference services available to the Sixth Committee (see para. 12 below), any meetings for working groups or for informal consultations would have to be accommodated in place of, rather than in addition to, meetings allocated to the Committee.

Deadline for submission of draft resolutions with financial implications

11. According to rule 153 of the rules of procedure of the General Assembly, "no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General". It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of the estimates of expenditure by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and by the Fifth Committee. Under the circumstances, if 5 November is accepted as the concluding date for the work of the Sixth Committee (see para. 5 above), 23 October 2003 would have to be considered as the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications.

Conference resources available

12. The available conference facilities will, in principle, enable the Committee to hold no more than 9 or 10 plenary meetings per week and the working groups referred to in paragraphs 7, 8 and 9, above to hold, respectively, 6, 4 and 7 meetings for the week. Morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 p.m. to 6 p.m.

13. In order to avoid difficulties in the organization of services for the meetings of regional groups of the Committee, it is suggested that all requests for such meetings be channelled to the Planning and Meetings Servicing Section through the Secretary of the Committee.

2. *Also requests* the Ad Hoc Committee to consider, in developing the draft convention, the proposals put forward during the fifty-eighth session of the General Assembly;
